Southern Arizona

YOUTH-DESIGNED. YOUTH-LED. YOUTH-POWERED.

C2C's Youth Leadership Table (CYLT) empowers young leaders to use their voices, skills, and lived experiences to make a lasting impact in their communities.

CYLT BUILDS:

- **Leadership Development:** Builds communication, teamwork, and advocacy skills.
- **Community Impact:** Addresses local needs and creates change.
- **Collaboration:** Represents the youth voice in cross-sector meetings, panels, and events.
- **Connection:** Partners with local youth serving organizations, community leaders and officials such as the governor's and mayor's offices.

CYLT is now recognized as a trusted voice in youth engagement, helping shape workshops, policy, and community initiatives across Pima County.

"Being a youth felt empowering and insightful... I walked away feeling more confident in my ability to contribute to my community."

- Mario Valencia, CYLT Mentor

"The way we were included in designing these youth sessions made me feel seen. Like my voice mattered."

- Ana Fabiana Fernández Acuña, CYLT Mentor

Community Partners Include:
